

Letter of intent

Dear Sir or Madam,

After Hamburg Messe & Congress GmbH decided to cease organising the hanseboot [Hamburg International Boot Show], the DBSV heard from many exhibitors that they would like to have a market place for water sports in Northern Germany in the Autumn and in Hamburg. The Deutsche Boots- und Schiffbauer-Verband [German Boat and Shipbuilders Association] is therefore considering holding a water sport exhibition at the exhibition complex in Hamburg.

The plan is for it to be a four-day event from Thursday 18 October to Sunday 21 October 2018. On the same weekend, the Hamburg exhibition complex will also be hosting the old timer exhibition "Hamburg Motor Classics".

There are a number of good ideas for this event, which gives us the encouragement to take this step as well as the confidence that this new event will be a success.

In order to be able to start planning seriously, we would be grateful if you could complete this Letter of Intent if you are interested in taking part. Please send it to the DBSV/its representative at meyer@dbsv.de or Fax 040 – 344 227, stating your contact details, so that we can keep you up-to-date with any developments.

Yours faithfully

German Boat and
Shipbuilders Association
